FINNISH QUALITY WITH OVER 70 YEARS OF EXPERIENCE

Founded in 1949, Katepal Oy is one of Finland's leading manufacturers of bituminous roofing materials and bitumen products. The most important values of the family company are high-class products, fast deliveries and consideration of environmental values in all production.

When you choose Katepal, you get quality and durability with Finnish certainty.

Our products are CE marked so they meet EN544 product standards. We use the ISO 9001 quality system in all our production.
